

**Senior Helpers Enthusiastically Sponsors the Village to Village Network!
Great news for the Village movement!**

The VtV Network has received a generous \$25,000 sponsorship from Senior Helpers, a national leader in professional in-home senior assistance services. The funds will be used to further our shared mission to support the efforts all of us in developing and running Villages and expanding the Village Movement.

Since 2002, Senior Helpers has offered companion care and personal care to seniors. It has built a reputation for providing the best in dependable, consistent and affordable non-medical services to make sure its clients get the help they need to enjoy living independently at home. The company also has expertise in Alzheimer's and Dementia Care, and has partnered with dementia expert Teepa Snow to educate families and caregivers how to best meet the needs of individuals facing this condition.

Senior Helpers has nearly 300 locations across the U.S., each independently owned and operated, bonded, and insured; Visit www.seniorhelpers.com to learn more about their services and locations.

Please [click here](#) to view a spreadsheet of a listing of Senior Helpers locations across the country; if there is an office in your area we encourage you to call them and learn more about their services and how they can help your Village. Senior Helpers is also spreading the news to their franchisees about the Village movement, and notifying them that you might reach out. Your local Senior Helpers office might even call you directly. We hope that you will consider their services for your Village members, and request that you keep us informed of your experience with them, so that we can continuously improve upon this new relationship with a leading company dedicated to serving seniors.

As part of the sponsorship, we are exhibiting at their National Conference in September, sending out emails, and hosting a webinar this Fall. A representative from Senior Helpers will also be present at our Gathering in Atlanta in October.

Please contact us with questions and feedback.
